The principal of this Endowed Membership Fund shall be invested in a manner determined by the Governing Body, but not less than one-half of the principal must be in obligations of the United States or in securities or accounts fully insured or guaranteed by the United States or an agency of the United States. The remainder may be invested in common stock or equity securities in nationally known corporations traded on the New York Stock Exchange. *(Amended 5/18/00)*

When an Endowed Member dies, the Grand Council will continue to receive his per capita, less 20% and his Council will continue to receive his prorated earnings, less 20%. Prorated earnings shall be based on the members' council dues that existed at the time the individual entered the Endowed Membership Program. Per capita shall be the per capita that existed at the time the individual entered the Endowed Membership Program. *(Amended 5/17/01, 5/19/05)*

13. The annual per capita year for earnings of the Endowed Membership Fund will be as of December 31st of each year.

14. Councils presently having a Membership Program may elect to join this program.
